The Magical Forest Adventures

A gentle story about getting lost and finding one trail.

What's inside

- The too-many paths
- The quiet fox
- The bell

Print on US Letter. Import into GoodNotes, Notability, or Xodo.

The too-many paths

Mina wanted to see every glowing mushroom.

Her feet would not choose. The forest got louder.

The quiet fox

A fox with a lavender tail said, 'We walk until the bell. Then we stop.'

Mina hated stopping. She also hated spinning.

The bell

They reached a creek. The bell rang. They sat.

Mina learned the forest was still there tomorrow.
