

FOCUS SPRINT

Break a big task into small wins.

Set a 15-minute timer. Focus on one small action. Stop, check it off, and choose the next step.

1.

Define the finish line

By the end of this sprint, I will...

2.

Choose one 15-minute action

The smallest useful next step is...

3.

Run the sprint

☐ Clear away distractions

☐ Start a 15-minute timer

☐ Work on one action only

☐ Capture distractions for later

☐ Stop when the timer ends
